

The Thoroughbred Group would like to send their heartfelt condolences to the friends, family and colleagues of Paul Darling OBE KC following today's tragic news.

Julian Richmond-Watson, Thoroughbred Group Chair and HBLB Board member, said, "Paul's untimely passing is incredibly sad, and his leadership of HBLB will be greatly missed. His diligence and hard work as both a Board member and then Chair positioned HBLB to provide generous support to British racing in recent years, not least during the Covid-19 pandemic. My thoughts are with his family, friends and colleagues at this difficult time."
